Airport and Airport Road

Runway at Ruby, Alaska

### **Planning and Projects**

The Village of Ruby depends on the Tanana Chiefs Council for transportation. Ruby has a 5 year transportation plan. The road to the cemetery is the top priority for the village. There is an airport improvement project scheduled for 2007.

Ruby, Alaska

**Maintenance**

State provides maintenance funding for the Ruby to Poorman Road and the airport road. Maintenance is contracted to the village and there is one full time and one half time employee.
